NEXT-GEN ROBOTIC POOL CARE

DEFINING THE NEW STANDARD IN AUTOMATED CLEANING

About Silver Home

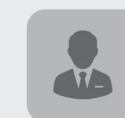

Founded in 2019 and headquartered in Shenzhen, Silver Home designs and manufactures smart cleaning products. Backed by Lenovo since 2020, we have focused on robotic pool cleaning since 2021 and now offer a complete range of floor-only cleaners, full-coverage robots, surface skimmers and handheld pool vacuums.

Our engineers across three R&D centers concentrate on what matters most in the pool: coverage, cleaning performance, anti-clog design and battery safety. Our own ISO-certified factory in Changzhou gives us direct control over assembly, testing and quality. We serve brands and retailers worldwide, including Bestway, one of the world's leading pool brands.

Y10&20 Reliable Pool Floor Cleaning, Made Simple

Effortless Cleaning for Everyday Pool Care

Superior Cleaning Power
25 GPM Enhanced suction ensures thorough pool floor cleaning performance.

Efficient Filtration System
High-capacity filter reduces emptying frequency while efficiently trapping fine dirt.

Self-Parking Technology
Automatically parks near pool walls when battery runs low for effortless retrieval.

Long Cordless Runtime
120-135 minutes of uninterrupted cleaning—covers pools up to 100-150 m² without hoses or cords.

Simple Operation
Cordless design, lightweight body, and one-button operation for easy handling and usability.

Smart Entry-Level Choice
Compact, practical, and easy to use—an ideal choice for first-time robotic pool cleaner owners.

C1 &C2 Your Stylish Entry-Level Pool Floor Cleaner

Long Runtime, Cordless Convenience

High-Speed Strong Suction
Optimized water channels and a high-speed motor deliver powerful, deep floor cleaning.

Built to Go the Distance
Up to 210 minutes of runtime helps complete larger cleaning jobs with fewer interruptions..

Dual-Motor Drive Power
Dual-drive motors enhance both movement and suction for more efficient cleaning.

Cleans Pools Up To 150 m²
Designed to handle residential pools up to 150 m², providing full floor coverage in a single cleaning cycle.

Smart Edge Parking
When the battery is low, the robot automatically parks near the pool wall, making retrieval with a hook quick and effortless.

One Cleaner, More Pool Shapes
From classic rectangles to freeform pools, enjoy effortless floor cleaning across different layouts.

S100

Revolutionary Solar-Powered Pool Skimmer

Smart Skimming with Enhanced Features

Effortless Surface Cleaning
Automatically collects leaves, insects and floating debris to keep the pool surface clean.

Smart Edge & Corner Cleaning
Dual advanced ToF sensors enable intelligent edge navigation for better pool coverage.

Smart App Control
Bluetooth APP control lets you select modes, adjust direction and speed, and check working status and battery level.

3-Inch Tablet Dispenser
Dual-action integrated dispenser keeps chlorine levels perfect for crystal-clear water.

7L Large Debris Basket
Large 7L debris basket with 180 μm fine filtration captures both leaves and smaller particles.

Stay Charged. Keep Cleaning
Solar charging keeps it working on sunny days, while DC charging provides reliable backup when sunlight is limited.
